

Cotton Candy with Trolley & Cover

The candy floss made by our product is really amazing, the shape is so large, the taste is so delicious. What's more, you can make a live show as an artist when make a candy floss. This can definitely attract a lot of people for you.

- The pan at the top of the machine is made of stainless steel
- It is durable enough, and easy to clean.
- And the center of the pan is made of copper
- The traditional ones are made of aluminum, as we all know that copper has better conductivity than aluminum.
- Can make a candy floss more quickly & the taste is much better too.
- It can reduce the waste sugar.

Selling points:

1. Save sugar
2. Colorful lights and melodious music
3. Head assembly
4. Copper cover
