

SIMONA

Ready For You

DIGITAL CRANE SCALE

Features :~

Excellent Quality:

- Strictly in accordance with OIML R76, GB/T11883-2002 standards, and European CE directives.

High Safety:

- Aluminum casting case, highly firm hook and ring, special load cell for safety installation.

Strong Reliability:

- High quality components used on PCB for long time stability.

Broad Applicability:

- 56mm high character display, 30m distance in sight, applicable in storage, textile, metallurgy industry, etc.

Simple Operation:

- Automatic battery voltage checking, electricity saving, power off, and overloading alarm, with wireless remote controller, and dedicated charger, easy operation.

Complete Function:

- Equipped with dedicated infrared remote control device, available for kg/lb conversion, hold, tare, division option, stability regulation, accumulation/query, gross/net display, remote power off, etc.

Specification :~

MODEL	OCS-Z
CAPACITY	20 TON x 10KG
ACCURACY GRADE	OIML III
DISPLAY	56mm (2") LED
THE SCOPE OF TARE	100% F.S.
STABLE DISPLAY TIME	<10S
OVERLOAD VALUE	Max Cap.+9e
SAFE LOAD	125% F.S.
UTMOST LOAD	400% F.S.
CONTINUOUS USING TIME	≥80 hours
BATTERY (OCS-A/B/G)	6V/10Ah
CHARGER	AC220V/DC9V1.5A
OPERATION TEMP.	10°C ~ +40°C
OPERATION HUMIDITY	20°C, ≤90% RH
GROSS WEIGHT	23 kg

Functions:~

- ✓ Zero, Tare and Hold
- ✓ Battery supervision
- ✓ Overload alarm/record
- ✓ Digital calibration; 3- point calibration
- ✓ Resolution and unit switch
- ✓ Gravity acceleration set
