

Features :-

- 1/6000 display resolution (selectable)
- IP65 waterproof design
- Red LED Display, front and back
- Weighing, weight and times accumulation
- Zero Tracking
- Auto calibration
- Alarm for target weight
- Rechargeable

Specification :-

Model	WR615
Capacity	15kg
Division	1g
Platter Size (mm)	175 x 225mm
Operation Temp.	0°C ~ 40°C (32°F ~ 104°F) R.H <85%
Power Supply	AC Adaptor, 9V/500mA
Net Weight	3.5kg

* Designs and specifications are subject to change for improvement without prior notice.
