

Features :~

- High precision load cell.
- High brightness backlight. LCD Display .
- Different weight unit can be selected.
- High precision, high definition, high resolution.
- Super anti-interference, overload protection device
- With low power and overload indication function.
- Max capacity:1kg
- Division:0.1g

Specification :~

Model	HXD-01
Capacity	1kg
Division	0.1g
Pan Size	Ø120mm
Power	DC3V(2PCS AA Batteries)
Screen measurement	5 digits LCD display ,Size:43 x 23mm
