

# Auto Meat Slicer

This professional fully auto slicer features a rugged, die-cast metal construction and a professional tilted design. A commercial-quality machine that brings the speed and precision of deli slicing to your kitchen counter. The powerful, heavy-duty induction motor ensures quiet operation, and the fully hardened 10, 12 inch. stainless steel blade has an anodized aluminum cover that reduces friction, for smooth, efficient slicing of meat, cheese, produce, and bread. Thickness control is adjustable. Gliding on industrial ball bearings, the large-capacity food carriage retracts fully to accommodate extra-large roasts, hams, and other oversized foods, and can be easily removed for cleaning. Includes a blade sharpener, food tray, and tool for easy blade removal.

## Specification:~
