

Electric Meat Mincer

Top View

Description :~

Meat Mincer Machine are high output meat grinders with powerful 1.5 HP motors and durable, maintenance-free, oil bath gearboxes (and all steel gears) for long service under hard use. All-steel gears sets these grinders completely apart from consumer type grinders that incorporate. Our meat grinder providing for fast and easy feeding.

The body of the meat mincing machines are made of stainless steel body cover, provide easiness in cleaning and hygiene. These machines which can work at high loads due to their strong engines, due to their wide openings, they can easily treat large pieces of meat. The large feeding table provides possibility for rapid working. This machine is ideal for butchers with an intensive working tempo.
