

Cotton Candy Machine

Elegant cotton candy machine is our new product, the most special advantages are as follow:

- The plate cover on the top of machine is made of copper(the round one in the middle of the square);
- With the colorful light and the music while you turn on the red button, so you will feel amazing.
- Pink is the main color of the cotton candy machine, it makes people feel so warm when they are looking at it.
- The quality of output: The quality of the cotton candy is tasted fine and much more smoothing.
- There are three types of the pans, small(520mm), middle(600mm), big(730mm), you can choose the suitable one as your requirement.

This candy floss machine takes sugar as main material, t can produce more colors candy floss when you add some special flavors. Then the output will not be only while, but also red, yellow, blue, green, or orange and so on. More tastes such as apple, strawberry, juicy-peach, watermelon, litch, mango etc. It will not only healthy, but also delicious. Many people love it!
