

# Digital Counting Scale

*The high performance of SRC-H series counting scales will ensure you an improved efficiency and greater productivity ...*

## Features:~

- **Over resistant construction**

The special design holder for load cell to protect load cell from over load or side load impacts.

- **Easy confirmation of package components**

This series can be used to check whether the proper number of components have been boxed or bagged.

- **Auto zero**

Slight variations or drifts of the zero point is automatically adjusted by the auto zero function (zero tracking). This feature ensure reliable weighing and high degree of accuracy.

- **Sample weighing systems**

There are two sample setting methods easily to choose from quantity setting or unit weight setting.

- **Membrane Switch**

Flat type keyboard under the display unit is easy to operate and prevents entry of water, oil or dirt.

- **Special functions**

Set the fix weight to tare the weight of containers constantly. Flickering if shortage of samples or insufficient unit weight. Memory system to accumulate total quantities from respective operations.

## Specification :~

Model	Capacity	Graduation	Pan Size	Power	Environment
SRC-H-3	3kg	0.1g	240mm x 280mm (stainless steel pan)	AC Adaptor 9V/500Ma	0°C - 40°C (32°F - 104°F) RH less than 85%
SRC-H-6	6kg	0.2g			
SRC-H-15	15kg	0.2g			
SRC-H-30	30kg	1g
