

Electric Ice Shaver

Quality Snow ~ The **YJ96** Electric Ice Shaver produce the highest quality snow possible. The texture of the snow can be easily adjusted with a single knob. The snow the machines produce is so fine that it literally absorbs the flavor so the customer can experience flavor consistency from the first bite to the last. The machines meet the highest health and safety requirements.

Durability ~ The machines are made from the highest quality parts available and are designed to provide many years of dependable service.

Easy to Maintain ~ The Electric Ice Shaver require very little maintenance. Most maintenance can be performed by the operator and does not require any special training or skills. Our company stocks a complete line of replacement parts should you ever need replacement parts for your machines.
