

ELECTRICAL PAN CAKE

Features:

- Unique Design for easy maintenance
- Fully Stainless Steel
- Six Pan with Six Temperature Controllers
- Pan Type : Copper / Cast Iron / Trooped Coating
- Energy efficient
- Easy to use & clean

LEPB-02

- Electrical Consumption: 3300W
- Voltage: 240Vac 50Hz 13A
- Dimension: L696 x W555 x H133
