

# SINGLE BOWL SLUSH MACHINE

Idea for use in home, cafes, stores, clubs and restaurants.

- 12 litre capacity
- 1 x clear bowls
- 1 x slush dispensers
- Removable drip trays
- Removable top cover with lights
- Non-slip rubber feet
- Easy to operate
- Low power consumption

**Easy-to-use control panels.** Control panels come with switches to control all the features of the slush machine. There are 2 sets of switches, one for each dispenser bowl.

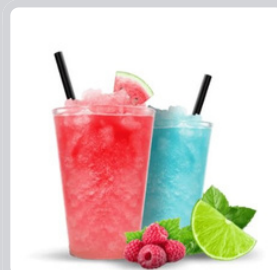

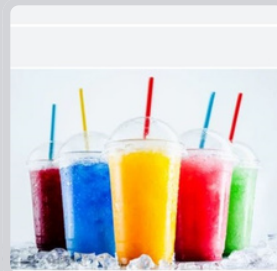

**Non-slip rubber feet** helps to keep the slush machine stable on the table.

**Bowl cover with lights.** Each bowl cover comes with lights to illuminate the front label of the cover.

**Removable top cover and drip trays.** Removable top cover and drip trays make it easy to clean the slush machine.
