

ELB Series

Features :-

- Designed for accuracy
Level indicator and adjustable legs are part of our design to enable accurate weighing.
- One-second response
Fast read-out and high stability save time and increase your productivity.
- Long battery life / Auto power off
Continuous operation capacity of 40 hours makes you feel connected to power anywhere. Auto-power-off function prevents unnecessary consumption of batteries.
- Excellent Durability
Durability is an important issue especially in field use.
Base structure is a metal die cast. Overload prevention mechanism protects the load cell.
- Useful Functions
Piece counting, percent display, various unit conversions are standard features.
Solid specific gravity measurement software is installed as a standard feature supported by optional accessories.
- Weigh and record in the field
Adding dual-power EP-60A Electronic Printer makes a totally portable system operated with replaceable batteries. Electronic Printer can be connected without additional interface.
