

AUTOMATIC CUP SEALING MACHINE

Features :

- Intelligent temperature control
- Simple operation; Large key operation, easy to understand
- Stable heating, neat film cutting, and tight cup sealing.
- Seal the cup without dripping
- Automatic counting
- Dual mode switching
- Can seal PE, PP, PC cup materials

THW-795

- Productivity: 400-600 Cups/Hr
- Sealing Range: 90/95 MM
- Material: Stainless Steel Body
- Dimension: 250 x 380 x 560MM
- Weight: 27 KG
- Power/Voltage: 400W 220V
